Sub:- Detailed investigation of Balagadlu Halla - Reservoir scheme - expenditure.

Ref. Your endt. no. 91 CP dated 20-2-1949.

--

The detailed investigation of the abcve scheme involving survey for dam, anicut, waterspread of reservoir, exploration of foundation of Dam by calyx, alignment of canal system for 10 miles with masonry works en route, site survey for stream and road crossing etc., including preparation of plans and estimates will take 6 months. This period includes possible short dislocation due to staff falling ill, or seeking for transfer and other contingencies. The details of expenditure are as follows:

1. Asst. Engineer.	1 at 400/-.	2400
2. Supervisors.	2 at Rs.200/-.	2400
3. T.A. etc.		500
4. Surveying and levelling - coolies - 2 batches of 4 each for 25 days in a		1800
5. Exploration of foundations by calyx		1000
6. Other incidental expenditure like testing of sample of stone coursed - forming B.M. and alignment of canal.		400
		8500

To A.S.

Please see the letter from the C.E.(I) at p.1 c...

2. The C.E.(I) has requested that sanction may be accorded for the detailed investigation of the scheme for the formation of a reservoir across Balagadlu halla, a tributary of Kattina Hole river in Coondapur taluk of S. Kanara Dt. The proposal is to construct a reservoir with a capacity of 100 M.cft. from the reservoir Water will be let down the river and picked up at a lower site where a new anicut will be constructed in the place of a ruined one. The scheme according to the C.E.(I), is ... ted to bring under cultivation an extent of 750 acres of II ... in Shirur and Poduveri villages. The approximate cost of the scheme will be Rs. 13/- lakhs for works alone. The Collr.'s views on the scheme have not yet been obtained but are awaited. It is, however, reported that the ryots have accepted a rate of Rs. 11/- per acre. Deducting Re.1/- for collection and maintenance charges, the C.E.(I) has calculated the return at 6.5% $\left(\frac{750 \times 10 \times 100}{13,00,000}\right)$ on works outlay. The C.E.(I) considers that though the return is negligible, the scheme is worth considering in view of the G.M.F. value of the scheme and as the scheme will be eligible for a subsidy from India. The C.E.(I) has therefore recommended that the scheme may be investigated by the G.I.D. Sub-Division attached to the South Kanara Division.

3. The C.E.(I) has been asked to report the probable expenditure that will have to be incurred in connection with the detailed investigation of the scheme. His report is awaited.

4. The Board's remarks on the revenue aspect of the

proposal have not yet been obtained. In the case of the Sethanur scheme, V.L.(P.W.) held that it was unnecessary to wait for the Bd. Board's remarks for sanctioning the detailed investigation. In the case of the Gurupur Amlout scheme also, the Govt. sanctioned the detailed investigation without waiting for the Bd.'s remarks on the revenue aspects.

3. In the circumstances mentioned above and in view of the fact that the policy of the Govt. is to encourage irrigation schemes in neglected Districts like South Kanara and as no separate staff is required for investigation, the C.E.'s proposal may be approved without waiting for a report from the Bd. of Rev. on the revenue aspects of the scheme.

6. Revenue and Finance may see for remarks if any.

C.No. 1649/49 Sub: Irrigation - S. Kanara Dt. - Coondapur taluk. Reservoir across Balagadhu halla - Detailed investigation

[Ref: From the C.E (I) No. 5429/48 B-5 dt 14-4-49.]

To AS

Please see the C.E (I)'s letter in the cf.

2. In December 1948, the C.E (I) submitted proposals for sanctioning the detailed investigation of the scheme for the formation of a reservoir across Balagadhu halla in Coondapur taluk of S. Kanara Dt. As the C.E (I) had not intimated the probable amount of expre that would be incurred in connection with the investigation, he was asked to furnish the information. Meanwhile without waiting for the C.E (I)'s reply, the proposal was examined and sanction was accorded in G.O Ms No 671 P.W dt 26-2-49 to the detailed investigation of the scheme.

3. The C.E (I) has now requested that the sketch submitted by him may be returned. This may be done.

4. He has also presumed that the information regarding the probable expre for the detailed investigation called for by Govt is no longer necessary as the detailed investigation has been sanctioned by the Govt. The information was called for in this case as the A.G may ask for it as he did in the case of the investigation of the Gursupur amrut scheme. In the circumstances, the C.E (I) may be told that the information regarding the probable expre for the investigation may be furnished to

P.T.O

to the Govt.

Subject to orders, a draft memo is submitted
